

Terms of Participation

The organizers of the Field Communication Lounge shall provide all interested parties with reasonable opportunities to participate in the trade fair booth of the Field Communication Lounge. Excluded are any exhibits or presentations that are not in line with the objectives of the Field Communication Lounge.

Please note that the concept and design and the individual technology presentations will be specified internally by the respective organizations. These are still in the planning stage at the time of writing, and individual concept changes are still possible. The Field Communication Lounge reserves the right to cancel projects in case of low demand or to adjust the prices after consultation with interested parties.

Co-exhibitors (sponsors) that elect to participate with a company kiosk will receive the boards for their individual presentations 1 to 2 months in advance (delivery is free of charge). The board will come with an instruction manual for use by the co-exhibitor in creating graphics for the board. Each co-exhibitor is responsible for the timely delivery of their board to the Field Communication Lounge booth (no later than 2 PM on the last setup day).

In principle, the organizers of the Field Communication Lounge shall not be liable for exhibits that are damaged or arrive too late.

The Company Kiosks and the optional marketing fee will be invoiced by PROFIBUS & PROFINET International 1 to 2 months before the start of the trade fair. The technology presentations will be billed by the respective organizations.

All prices are exclusive of statutory value-added tax.
